Child Dedication: On Christmas Eve, we will welcome children into our religious community through a child dedication. Since we do not believe in an original sin that we need to wash away, we offer a different kind of welcome to our children. We will honor the names the parents have chosen for them, offer to support the parents in their process of parenting, and, as a community, covenant to assist both the children and their parents in their growth as free-thinking people with strong values.

If you have children for whom you would wish these blessings, we will provide a dedication on December 24 at 6:30 PM as part of the Christmas Eve service.

Do call (541.602.4946) Gretchen Woods with any questions or concerns and email (revgwoods@comcast.net) with your child(ren)'s full name(s), so that they may be named in the order of service as well.

SCRIP GIFT CARDS

Have you completed your holiday season shopping yet?

Is there someone on your list who "has everything" and is hard to buy for? Purchasing SCRIP gift cards through All Souls may be the answer. In addition to purchasing cards on Sundays at the SCRIP table, *Using SCRIP gift cards lets you give two gifts at the same time.* One is the person who receives the gift card and the other is All Souls which gets a percentage of the sale. This is a painless way to do much of your Christmas shopping... no crowded malls, no traffic hassles, no waiting in long lines, and no returns to worry about later. Please consider using SCRIP for your holiday gifts! And, stop by the SCRIP table on Sundays to see the variety of options available to you!

Bob Reiberg Pottery still available! Several new pieces!

Contact Betty Lynch if you need further information or if you have suggestions for activities at the party. Hope to see you there! **NEW YEAR'S EVE PARTY: 8 pm until 12:30**
